MSME Development

In addition to investment promotion, the NIPDB also plays a vital role in supporting the growth and development of Namibian Micro, Small, and Medium Enterprises (MSMEs). Our primary objective is to create an enabling environment for MSMEs by implementing policies and initiatives that foster their establishment and expansion. Additionally, we focus on facilitating access to finance, promoting innovation and providing capacity-building programs to enhance the competitiveness of MSMEs.

Participating in the China Africa Economic Trade Expo (CAETE) serves as a strategic opportunity to showcase Namibian MSMEs, explore potential partnerships, attract foreign investment, and foster economic cooperation between China and Namibia. Through participation in CAETE, the NIPDB aims to enhance market access for Namibian MSMEs, promote trade relations and contribute to the overall economic growth and development of the country.

Moonsnacks Investment

As an innovative snack food processing and packaging startup, Moonsnacks has made waves in the food industry since its inception in 2021. We work with locally sourced agricultural produce, primarily from small-scale farmers, transforming these ingredients into delicious snacks. Our focus during this phase of operation is on creating snacks from groundnuts, with our crunchy peanut burgers stealing the show. Moonsnacks exemplifies innovation, proving that delicious, healthy snacks can also be sustainable and supportive of local agriculture.
