

**Title**

Zone Green Scheme Irrigation Farm

**Project summary**

An opportunity exists for the procurement of a private partner to operate the farm on a PPP arrangement, on a Build, Operate, and Transfer (BOT) basis. The private partner will be responsible for funding the infrastructure development and thereafter operate the project for a specified period as per the PPP agreement.

The operator will produce crops based on the market demand assessment. The developer may have the flexibility to sell the crops produced domestically or abroad, based on the market demand assessment. The size of the area available for development is 1,800 hectares. A large part of the available land is planned for commercial farming and a smaller portion may be utilised for medium scale farming activities.
